6 Council Notice Board

We agreed a while ago that there was a need for a Council Notice Board but that as the future of the Parish Room was uncertain, any decisions as to design and location were delayed. Now that it has been agreed to upgrade the existing building over time, we can make those decisions now.

One Company who produces these is Greenbarnes (www.greenbarnes.co.uk)

Ideally, the board would need to be able to accommodate at least 6xA4 sheets and be free standing. Other companies are available! Can we determine at this meeting if we agree to ask Council to provide the finances for these, and who will make the final decision as to design? Two suggestions are below.

AROUND £1200 (man-made timber)

AROUND £800 (Timber)

Ideally, a second smaller board could be located near the bus shelter at Hornbeam.

7. Dates for future meetings: Thursday 26th August 2021 7pm
