

Burwash Parish Council

Community and Communications Working Party

This is the draft agenda for the Community and Communications Working Party meeting taking place on Thursday 7th April 2022 at 7.00pm at the Parish Rooms.

1. Apologies for Absence

2. Disclosures of Interest

3. Minutes from the previous meeting

Agreed at March Full Council Meeting

4. Ukraine

There are a number of groups set up in Burwash to support those who wish to accommodate refugees. Is there something that the Parish Council could be doing to support existing groups?

A Welcome Pack has been suggested – what should this look like? The ‘pack’ currently sent to new residents may not be appropriate as it is more about the structure of the Parish Council, which may not be the priority.

Should we focus on:

How to access the NHS

How to access the local schools

How to access financial support

How to access UK Government support for official documents

Public Transport in the area

Offers of local transport

Brief history of the Burwash community and how it relates to the County

5. Updates:

A: Queen’s Jubilee Plans

Commemorative Mugs - no further information

Shuttle bus between Burwash Common and Swan Meadow – no further information

Any further updates from Emma

B: How the Council presents itself

Any initial responses?

6 Spring Clean
