

SCHEME OF DELEGATION

Delegation of Power to the Proper Officer and Responsible Finance Officer LGA 1972 s101. The Council's Scheme of Delegation authorises the Clerk to the Council/Responsible Finance Officer to act with delegated authority in the specific circumstances detailed should Council not be able to meet within an appropriate time.

Delegated actions shall be in accordance with Standing Orders and Financial Regulations and in line with directions given by Council from time to time and this Scheme of Delegation, and where applicable any other rules/regulations and legislation.

The following matters are reserved to the Council for decision:

- Setting the Budget & Precept

General delegation

- The Clerk to the Council/Responsible Finance Officer must seek to anticipate when decisions will be required so that, under normal circumstances, all appropriate matters are brought to the Council.
- If it is not possible to bring a matter to the Council, or the matter seems to the Clerk to be too minor to require a decision of the full Council, then the Clerk will:

- Take all reasonable steps to confer with the Chair and Vice Chair to determine the best course of action.
- If the Chair or Vice Chair cannot be contacted, then take all reasonable steps to contact other Councillors, so that a minimum of two Councillors have been consulted.
- If Clerk and two Councillors decide that any matter should be brought to the full Council but, for whatever reason, this is not possible, then they may decide that all Councillors should be consulted by email, telephone or face to face. Email is preferred so that the matters and the views of Councillors are set out in writing.

Full delegation to the Clerk/Responsible Finance Officer

In the unlikely event that it is not possible or practical for the Clerk/Responsible Finance Officer to confer with Councillors, she/he is authorised to:

- Agree expenditure on items that are within a budget approved by the Council, or where the Council has agreed the expenditure.
- Incur expenditure on behalf of the Council, which is necessary to carry out any repair, replacement or other work or essential project which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1,000.
- Take decisions on other matters of extreme urgency, with the exception of those listed above.

Record keeping

- Record keeping and the maintenance of a solid trail is crucial, particularly in the case of an s101 delegated authority. All relevant information should be retained (including electronic formats) and be available for review by Councillors, auditors or other entitled to be party to the information.

And

- Actions taken by delegated authority shall be reported to the next available Council meeting.
